

Setting up the chessboard

Position 1

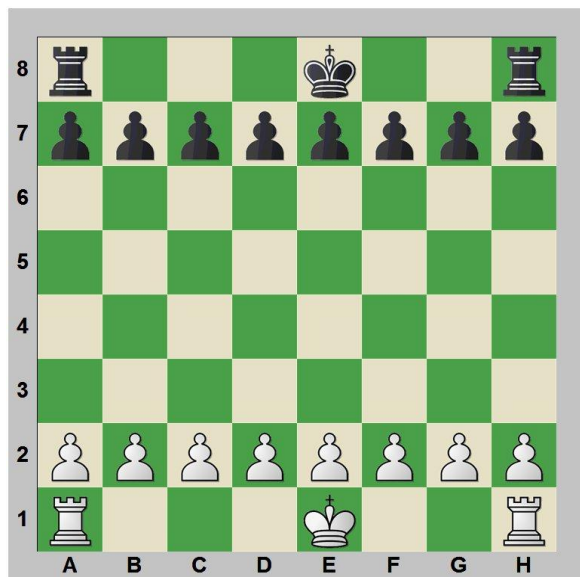

Put Rooks on the Corners and the Kings on the E-file

Position 2

Add the minor pieces Knights and Bishops
Knights are located next to the Rooks

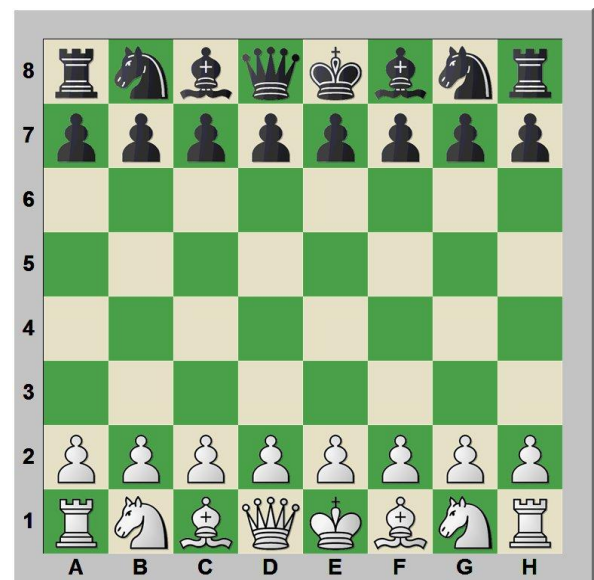

Position 3

Let's add Pawns, White on the second rank

Black on the seventh rank

Position 4

Last, put the White Queen on light squares

And the Black Queen on the dark squares

Remember the White square on a chessboard is always on the right hand.
